

# LATTA SPRINGFEST

## VENDOR INFORMATION

Please accept our invitation and join us for a family fun weekend. You will be notified, prior to the week of SPRINGFEST, of your assigned location on Main Street. You may drive directly to your assigned location from US 301 or through the barricade if you're coming from I-95, using SC 917.

All vehicles must be off the street by 9:00 am.

Each exhibitor is responsible for a heavy duty extension cords, props, chairs, tables, canopies, as well as tax collection.

Vendors may not sell hair color, poppers, silly string, or snap and pops. Booth tear down is **NOT TO BEGIN** until the official closing time, which is **5:00 pm**.

Due to the clean up process, vendors will be charged an additional fee of \$20.00 if not off of the street by 6:00 pm.

If electricity is needed, please indicate that on the application form. Please specify 110 or 220 power. This is essential in that they're only a few spots with 220 power. Remember, spaces will be assigned on a "first come, first served" basis.

There is a deadline for applications. Please contact Latta Town Hall at 843-752-5115 for deadline information and any questions or concerns.

We look forward to your participation in the Latta Springfest.
